Dear staff and students,

Thank you for raising 547 pounds of food through your food/fund drive to support the work of the Greater Vancouver Food Bank! We sincerely appreciate the commitment, time and energy you've taken to create a great opportunity for people to give so generously.

The Greater Vancouver Food Bank's mission is to create empowering environments that provide and promote access to healthy food, education and training. We are proud of the many ways we demonstrate our commitment to achieve this, including working with local farmers to buy fresh produce, providing education and cooking demonstrations in schools and community kitchens, and expanding our volunteer program.

We love to see many of our members begin to thrive and gain new confidence through the programs the Food Bank delivers. You are helping us to accomplish all of this and more!

Thank you, once again, for your tremendous support of our work!

With Gratitude,
